

FUNDRAISING WITH GASLIGHT

Raise Over \$5,000 in 14 Days

A simple gift certificate program your group can sell with no product delivery, no inventory, and no extra event work.

20% OF SALES GOES BACK TO YOUR GROUP

Each \$20 certificate earns \$4.00 for your organization.

Why It Works for Your Group

- No risk and no upfront expense
- No delivering products
- No overpriced candy or merchandise
- No extra work for members like car washes or bake sales
- No guilt asking supporters to buy items they do not want

Why Customers Like It

- They already enjoy dining out
- Certificates can be used personally or given as gifts
- A great meal becomes a fun, easy way to support your group
- Their dollars are redirected to something they already do

Remember: dining at The Gaslight is not about spending more money - it is about redirecting dollars already spent on dining.

Your customers will be dining at an award-winning, family-owned restaurant known for quality food and friendly service.

What Is the Income Potential?

We will work with a fundraising coordinator chosen by your group. Each gift certificate sells for **\$20.00** and is good for \$20.00 at our Huntingburg location. Your group receives **20% of every certificate sold**.

Example: If a student sells 10 gift certificates, that student raises \$40.00 for your organization.
